**Colorado Environmental Film Festival and
Auction**

The Colorado Alliance for Environmental Education (CAEE) is excited to announce that our annual Environmental Education Auction will again be held in conjunction with the Colorado Environmental Film Festival this October 2-5, 2008 at the American Mountaineering Center in Golden! Get great deals on sports tickets, tours, books and show your support for CAEE. The film festival will be an exciting, inspiring, and energizing event that will include world-class environmental films, an engaging exhibit hall, plus speakers and audience discussions. Check out www.ceff.net for more information.

Professional DEEvelopment Series in October

**How to Avoid Volunteer Program Jeopardy
Denver Professional Development**

Join Vicki Leigh from CO State Parks in a fun, fast-paced, energetic game while learning the basics for a successful volunteer program. Learn the right game-plan to keep your volunteer program from falling into Jeopardy.

October 28th 9a.m.-11a.m.

Location: TBD

The CAEE Professional DEEvelopment Series is free for members and \$15 for non-members.

**"The State of EE – What's going on in Washington DC, the
State Capital and in your own Backyard"?
Colorado Springs Professional Development**

Global warming, energy and other environmental issues have captured the nation's attention and communities are finally ready for environmental education. Work is occurring to infuse EE into our state educational standards, introduce state legislation for environmental literacy in Colorado, pass national legislation, like No Child Left Inside, and mobilize movements to get kids (and adults) outside. Join us to find out "The State of EE" and how you can be a part of these exciting initiatives.

October 9th 4:00-6:00p.m.

Location: TBD

**Please send your RSVP to CAEE at info@caee.org or call

**Ethic/Racial Diversity and
Environmental Education Workshop***

This workshop is an active, in-depth exploration of multicultural issues as they occur in the real world of environmental education. We'll use a variety of strategies to engage participants in exploring the intersection of EE and cultural diversity, increasing their understanding of cultural sensitivity and its historical context, examining dilemmas faced by environmental educators working with cultural groups that are different from their own, and identifying steps needed to make organizations and programs more inclusive and
